INTRODUCTION

This Plan is offered by your Employer as one of the benefits of your employment. The benefits provided are intended to assist you with many of your health care expenses for Medically Necessary services and supplies. Coverage under this Plan is provided regardless of your race, color, national origin, disability, age, sex, gender identity or sexual orientation. There are provisions throughout this Benefit Booklet that affect your health care coverage. It is important that you read the Benefit Booklet carefully so you will be aware of the benefits and requirements of this Plan.

The defined terms in this Benefit Booklet are capitalized and shown in the appropriate provision in the Benefit Booklet or in the **DEFINITIONS** section of the Benefit Booklet. Whenever these terms are used, the meaning is consistent with the definition given. Terms in italics may be section headings describing provisions or they may be defined terms.

The terms “you” and “your” as used in this Benefit Booklet refer to the Employee. Use of the masculine pronoun “his,” “he,” or “him” will be considered to include the feminine unless the context clearly indicates otherwise.

Managed Health Care – In–Network Benefits

To receive In–Network Benefits as indicated on your Schedule of Coverage, **you must** choose Providers within the Network for all care (**other than for emergencies**). The Network has been established by BCBSTX and consists of Physicians, Specialty Care Providers, Hospitals, and other health care facilities to serve Participants throughout the Network Plan Service Area. Refer to your Provider directory or visit the BCBSTX website at www.bcbstx.com to make your selections. The listing may change occasionally, so make sure the Providers you select are still Network Providers. An updated directory will be available at least annually. You may access our website, www.bcbstx.com, for the most current listing to assist you in locating a Provider.

To receive In–Network Benefits for Mental Health Care, Serious Mental Illness, and treatment of Chemical Dependency all inpatient and certain outpatient care should be Preauthorized by calling the toll-free Mental Health Helpline indicated on your Identification Card and in this Benefit Booklet. Services and supplies for Mental Health Care, Serious Mental Illness, and treatment of Chemical Dependency must be provided by Network Providers that have specifically contracted with the Claim Administrator to furnish services and supplies for those types of conditions to be considered for In–Network Benefits.

If you choose a Network Provider, the Provider will bill the Claim Administrator – not you – for services provided.

The Provider has agreed to accept as payment in full the least of..

- The billed charges, or
- The Allowable Amount as determined by the Claim Administrator, or
- Other contractually determined payment amounts.

You are responsible for paying any Deductibles, Copayment Amounts, and Co–Share Amounts. You may be required to pay for limited or non–covered services. No claim forms are required.

Managed Health Care – Out–of–Network Benefits

If you choose Out–of–Network Providers, only Out–of–Network Benefits will be available. If you go to a Provider outside the Network, benefits will be paid at the Out–of–Network Benefits level. If you choose a health care Provider outside the Network, you may have to submit claims for the services provided.

You will be responsible for paying...

- Billed charges above the Allowable Amount as determined by the Claim Administrator,
- Co–Share Amounts and Deductibles,
- Limited or non–covered services, and
- Failure to Preauthorize penalty.

WHO GETS BENEFITS

Eligibility Requirements for Coverage

The Eligibility Date is the date a person becomes eligible to be covered under the Plan. A person becomes eligible to be covered when he becomes an Employee or a Dependent and is in a class eligible to be covered under the Plan. The Eligibility Date is:

1. The date the Employee, including any Dependents to be covered, completes the Waiting Period, if any, for coverage;
2. Described in the ***Dependent Enrollment Period*** section for a new Dependent of an Employee already having coverage under the Plan.

No eligibility rules or variations in rates will be imposed based on your health status, medical condition, claims experience, receipt of health care, medical history, genetic information, evidence of insurability, disability, or any other health status related factor. Coverage under this Plan is provided regardless of your race, color, national origin, disability, age, sex, gender identity or sexual orientation. Variations in the administration, processes or benefits of this Plan that are based on clinically indicated reasonable medical management practices, or are part of permitted wellness incentives, disincentives and/or other programs do not constitute discrimination.

Employee Eligibility

Any person eligible under this Plan and covered by the Employer's previous Health Benefit Plan on the date prior to the Plan Effective Date, including any person who has continued group coverage under applicable federal or state law, is eligible on the Plan Effective Date. Otherwise, you are eligible for coverage under the Plan when you satisfy the definition of an Employee and you reside or work in the Plan Service Area.

If you are a retired Employee, you may continue your coverage under the Plan, but only if you were covered under the Employer's Health Benefit Plan as an Employee on the date of retirement.

Dependent Eligibility

If you apply for coverage, you may include your Dependents. Eligible Dependents are:

1. Your spouse;
2. A child under the limiting age shown in your Schedule of Coverage;
3. A child of your child who is your Dependent for federal income tax purposes at the time application for coverage of the child is made and legal dependent;
4. Any other child included as an eligible Dependent under the Plan.

A detailed description of Dependent is in the **DEFINITIONS** section of this Benefit Booklet. An Employee must be covered first in order to cover his eligible Dependents. No Dependent shall be covered hereunder prior to the Employee's Effective Date. If you are married to another Employee, you may not cover your spouse as a Dependent, and only one of you may cover any Dependent children.

Effective Dates of Coverage

In order for an Employee's coverage to take effect, the Employee must submit written enrollment for coverage for himself and any Dependents. The Effective Date is the date the coverage for a Participant actually begins. The Effective Date under the Plan is shown on your Identification Card. It may be different from the Eligibility Date.

Timely Applications

It is important that your application for coverage under the Plan is received timely by the Claim Administrator through the Plan Administrator.

If you apply for coverage and make the required contributions for yourself or for yourself and your eligible Dependents and if you:

1. Are eligible on the Plan Effective Date and the application is received by the Claim Administrator through the Plan Administrator prior to or within 31 days following such date, your coverage will become effective on the Plan Effective Date;

2. Enroll for coverage for yourself or for yourself and your Dependents during an Open Enrollment Period, coverage shall become effective on the Plan Anniversary Date; or
3. Become eligible after the Plan Effective Date and if the application is received by the Claim Administrator through the Plan Administrator within the first 31 days following your Eligibility Date, the coverage will become effective in accordance with eligibility information provided by your Employer.

Effective Dates - Delay of Benefits Provided

Coverage becomes effective for you and/or your Dependents on the Plan Effective Date upon completion of an application for coverage. If you or your eligible Dependent(s) are confined in a Hospital or Facility Other Provider on the Plan Effective Date, your coverage is effective on the Plan Effective Date. However, if this Plan is replacing a discontinued Health Benefit Plan or self-funded Health Benefit Plan, benefits for any Employee or Dependent may be delayed until the expiration of any applicable extension of benefits provided by the previous Health Benefit Plan or self-funded Health Benefit Plan.

Effective Dates - Late Enrollee

If your application is not received within 31 days from the Eligibility Date, you will be considered a Late Enrollee. You will become eligible to apply for coverage during your Employer's next Open Enrollment Period. Your coverage will become effective on the Plan Anniversary Date.

Loss of Other Health Insurance Coverage

An Employee who is eligible, but not enrolled for coverage under the terms of the Plan (and/or a Dependent, if the Dependent is eligible, but not enrolled for coverage under such terms) shall become eligible to apply for coverage if each of the following conditions is met:

1. The Employee or Dependent was covered under a Health Benefit Plan, self-funded Health Benefit Plan, or had other health insurance coverage at the time this coverage was previously offered; and
2. Coverage was declined under this Plan in writing, on the basis of coverage under another Health Benefit Plan or self-funded Health Benefit Plan; and
3. There is a loss of coverage under such prior Health Benefit Plan or self-funded Health Benefit Plan as a result of:
 - a. Exhaustion of continuation under Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, as amended; or
 - b. Cessation of Dependent status (such as divorce or attaining the maximum age to be eligible as a dependent child under the Plan), termination of employment, a reduction in the number of hours of employment, or employer contributions toward such coverage were terminated; or
 - c. Termination of the other plan's coverage, a situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits, a situation in which the other plan no longer offers any benefits to the class of similarly situated individuals that include you or your Dependent, or, in the case of coverage offered through an HMO, you or your Dependent no longer reside, live, or work in the service area of that HMO and no other benefit option is available; and
4. You request to enroll no later than 31 days after the date coverage ends under the prior Health Benefit Plan or self-funded Health Benefit Plan or, in the event of the attainment of a lifetime limit on all benefits, the request to enroll is made not later than 31 days after a claim is denied due to the attainment of a lifetime limit on all benefits. Coverage will become effective the first day of the Plan Month following receipt of the application by the Claim Administrator through the Plan Administrator.

If all conditions described above are not met, you will be considered a Late Enrollee.

Loss of Governmental Coverage

An individual who is eligible to enroll and who has lost coverage under Medicaid (Title XIX of the Social Security Act), other than coverage consisting solely of benefits under Section 1928 of that Act (42 U.S.C. Section 1396s) or under the Children's Health Insurance Program (CHIP), Chapter 62, Health and Safety Code, is not a Late Enrollee

provided appropriate enrollment application/change forms and applicable contributions are received by the Claim Administrator within sixty (60) days after the date on which such individual loses coverage. Coverage will be effective the day after prior coverage terminated.

Health Insurance Premium Payment (HIPP) Reimbursement Program

An individual who is eligible to enroll and who is a recipient of medical assistance under the Medicaid Program or enrolled in CHIP, and who is a participant in the HIPP Reimbursement Program may enroll with no enrollment period restrictions. If the individual is not eligible unless a family member is enrolled, both the individual and family member may enroll. The Effective Date of Coverage is on the first day of the month after the Claim Administrator receives (i) written notice from the Texas Health and Human Services Commission, or (ii) enrollment forms, from you, provided such forms and applicable contributions are received by the Claim Administrator within sixty (60) days after the date the individual becomes eligible for participation in the HIPP Reimbursement Program.

Dependent Enrollment Period

1. Special Enrollment Period for Newborn Children

Coverage of a newborn child will be automatic for the first 31 days following the birth of your newborn child. For coverage to continue beyond this time, you must notify the Claim Administrator through the Plan Administrator within 31 days of birth and pay any required contributions within that 31-day period or a period consistent with the next billing cycle. Coverage will become effective on the date of birth. If the Claim Administrator is notified through the Plan Administrator after that 31-day period, the newborn child's coverage will become effective on the Plan Anniversary Date following the Employer's next Open Enrollment Period.

2. Special Enrollment Period for Adopted Children or Children Involved in a Suit for Adoption

Coverage of an adopted child or child involved in a suit for adoption will be automatic for the first 31 days following the adoption or date on which a suit for adoption is sought. For coverage to continue beyond this time, the Claim Administrator through the Plan Administrator must receive all necessary forms and the required contributions within the 31-day period or a period consistent with the next billing cycle. Coverage will become effective on the date of adoption or date on which a suit for adoption is sought. If you notify the Claim Administrator through the Plan Administrator after that 31-day period, the child's coverage will become effective on the Plan Anniversary Date following the Employer's next Open Enrollment Period.

3. Court Ordered Dependent Children

If a court has ordered an Employee to provide coverage for a child, coverage will be automatic for the first 31 days after the date your Employer receives notification of the court order. To continue coverage beyond the 31 days, the Claim Administrator through the Plan Administrator must receive all necessary forms and the required contributions within the 31-day period. If you notify the Claim Administrator through the Plan Administrator after that 31-day period, the Dependent child's coverage will become effective on the Plan Anniversary Date following your Employer's next Open Enrollment Period.

4. Other Dependents

Written application must be received within 31 days of the date that a spouse or child first qualifies as a Dependent. If the written application is received within 31 days, coverage will become effective on the date the child or spouse first becomes an eligible Dependent. If application is not made within the initial 31 days, then your Dependent's coverage will become effective on the Plan Anniversary Date following your Employer's next Open Enrollment Period.

If you ask that your Dependent be provided health care coverage after having canceled his or her coverage while your Dependent was still entitled to coverage, your Dependent's coverage will become effective in accordance with the provisions of the Plan.

In no event will your Dependent's coverage become effective prior to your Effective Date.

Other Employee Enrollment Period

1. As a special enrollment period event, if you acquire a Dependent through birth, adoption, or through suit for adoption, and you previously declined coverage for reasons other than under ***Loss of Other Health Insurance***

Coverage, as described above, you may apply for coverage for yourself, your spouse, and a newborn child, adopted child, or child involved in a suit for adoption. If the written application is received within 31 days of the birth, adoption, or suit for adoption, coverage for the child, you, or your spouse will become effective on the date of the birth, adoption, or date suit for adoption is sought.

If you marry and you previously declined coverage for reasons other than under **Loss of Other Health Insurance Coverage** as described above, you may apply for coverage for yourself and your spouse. If the written application is received within 31 days of the marriage, coverage for you and your spouse will become effective on the first day of the month following receipt of the application by the Claim Administrator through the Plan Administrator.

2. If you are required to provide coverage for a child as described in **Court Ordered Dependent Children** above, and you previously declined coverage for reasons other than under **Loss of Other Health Insurance Coverage**, you may apply for coverage for yourself. If the written application is received within 31 days of the date your Employer receives notification of the court order, coverage for you will become effective on the date your Employer receives notification of the court order.

Enrollment Application/Change Form

Use this form to...

- Notify the Plan of a change to your name
- Add Dependents
- Drop Dependents
- Cancel all or a portion of your coverage
- Notify the Plan of all changes in address for yourself and your Dependents. An address change may result in benefit changes for you and your Dependents if you move out of the Plan Service Area of the Network.

You may obtain this form from your Employer, or by calling the Claim Administrator's Customer Service Helpline telephone number shown in this Benefit Booklet or on your Identification Card, or by accessing the BCBSTX website. If a Dependent's address and zip code are different from yours, be sure to indicate this information on the form. After you have completed the form, return it to your Employer.

Changes In Your Family

You should promptly notify the Claim Administrator through the Plan Administrator in the event of a birth or follow the instructions below when events, such as but not limited to, the following take place:

- If you are adding a Dependent due to marriage, adoption, or a child being involved in a suit for which an adoption of the child is sought, or your Employer receives a court order to provide health coverage for a Participant's child or your spouse, you must submit an *Enrollment Application/Change Form* and the coverage of the Dependent will become effective as described in **Dependent Enrollment Period**.
- When you divorce or your child reaches the age indicated on your Schedule of Coverage as "Dependent Child Age Limit," or a Participant in your family dies, coverage under the Plan terminates in accordance with the **Termination of Coverage** provisions selected by your Employer.

Notify your Employer promptly if any of these events occur. Benefits for expenses incurred after termination are not available. If your Dependent's coverage is terminated, refund of contributions will not be made for any period before the date of notification. If benefits are paid prior to notification to the Claim Administrator by the Plan Administrator, refunds will be requested.

Please refer to the **Continuation of Group Coverage – Federal** subsection in this Benefit Booklet for additional information.

HOW THE PLAN WORKS

Allowable Amount

The Allowable Amount is the maximum amount of benefits the Claim Administrator will pay for Eligible Expenses you incur under the Plan. The Claim Administrator has established an Allowable Amount for Medically Necessary services, supplies, and procedures provided by Providers that have contracted with the Claim Administrator or any other Blue Cross and/or Blue Shield Plan, and Providers that have not contracted with the Claim Administrator or any other Blue Cross and/or Blue Shield Plan. When you choose to receive services, supplies, or care from a Provider that does not contract with the Claim Administrator, you will be responsible for any difference between the Claim Administrator’s Allowable Amount and the amount charged by the non-contracting Provider. You will also be responsible for charges for services, supplies, and procedures limited or not covered under the Plan, any applicable Deductibles, Co-Share Amounts, and Copayment Amounts.

Review the definition of Allowable Amount in the **DEFINITIONS** section of this Benefit Booklet to understand the guidelines used by the Claim Administrator.

Case Management

Under certain circumstances, the Plan allows the Claim Administrator the flexibility to offer benefits for expenses which are not otherwise Eligible Expenses. The Claim Administrator, at its sole discretion, may offer such benefits if:

- The Participant, his family, and the Physician agree;
- Benefits are cost effective; and
- The Claim Administrator anticipates future expenditures for Eligible Expenses which may be reduced by such benefits.

Any decision by the Claim Administrator to provide such benefits shall be made on a case-by-case basis. The case coordinator for the Claim Administrator will initiate case management in appropriate situations.

Freedom of Choice

<i>Each time you need medical care, you can choose to:</i>		
See a Network Provider	See an Out-of-Network Provider	
	ParPlan Provider (refer to ParPlan, below, for more information)	Out-of-Network Provider (not a contracting Provider)

Identification Card

The Identification Card tells Providers that you are entitled to benefits under your Employer's Health Benefit Plan. The card offers a convenient way of providing important information specific to your coverage including, but not limited to, the following:

- **Your Subscriber identification number.** This unique identification number is preceded by a three character alpha prefix that identifies Blue Cross and Blue Shield of Texas as your Claim Administrator.
- **Your group number.** This is the number assigned to identify your Employer's Health Benefit Plan with the Claim Administrator.
- **Any Copayment Amounts that may apply to your coverage.**
- **Important telephone numbers.**

Always remember to carry your Identification Card with you and present it to your Providers when receiving health care services or supplies.

Please remember that any time a change in your family takes place it may be necessary for a new Identification Card to be issued to you (refer to the **WHO GETS BENEFITS** section for instructions when changes are made). Upon receipt of the change in information, the Claim Administrator will provide a new Identification Card.

Unauthorized, Fraudulent, Improper, or Abusive Use of Identification Cards

1. The unauthorized, fraudulent, improper, or abusive use of Identification Cards issued to you and your covered Dependents will include, but not be limited to, the following actions, when intentional:
 - a. Use of the Identification Card prior to your Effective Date;
 - b. Use of the Identification Card after your date of termination of coverage under the Plan;
 - c. Obtaining other benefits for persons not covered under the Plan;
 - d. Obtaining other benefits that are not covered under the Plan.
2. The fraudulent or intentionally unauthorized, abusive, or other improper use of Identification Cards by any Participant can result in, but is not limited to, the following sanctions being applied to all Participants covered under your coverage:
 - a. Denial of benefits;
 - b. Cancellation of coverage under the Plan for **all** Participants under your coverage;
 - c. Limitation on the use of the Identification Card to one designated Physician, Other Provider of your choice;
 - d. Recoupment from you or any of your covered Dependents of any benefit payments made;
 - e. Pre-approval of medical services for all Participants receiving benefits under your coverage;
 - f. Notice to proper authorities of potential violations of law or professional ethics.

Medical Necessity

All services and supplies for which benefits are available under the Plan must be Medically Necessary as determined by the Claim Administrator. Charges for services and supplies which the Claim Administrator determines are not Medically Necessary will not be eligible for benefit consideration and may not be used to satisfy Deductibles or to apply to the Co-Share Stop-Loss Amount.

ParPlan

When you consult a Physician or Professional Other Provider who does not participate in the Network, you should inquire if he participates in the Claim Administrator's *ParPlan*...a simple direct-payment arrangement. If the Physician or Professional Other Provider participates in the *ParPlan*, he agrees to:

- File all claims for you,
- Accept the Claim Administrator's Allowable Amount determination as payment for Medically Necessary services, and
- Not bill you for services over the Allowable Amount determination.

You will receive Out-of-Network Benefits and be responsible for:

- Any Deductibles,
- Co-Share Amounts, and
- Services that are limited or not covered under the Plan.

NOTE: If you have a question regarding a Physician's or Professional Other Provider's participation in the *ParPlan*, please contact the Claim Administrator's Customer Service Helpline.

Preexisting Conditions Provision

Benefits for Eligible Expenses incurred for treatment of a preexisting condition will be available immediately with no preexisting condition Waiting Period.

Specialty Care Providers

A wide range of Specialty Care Providers is included in the Network. When you need a specialist's care, In-Network Benefits will be available, but only if you use a Network Provider.

There may be occasions however, when you need the services of an Out-of-Network Provider. This could occur if you have a complex medical problem that cannot be taken care of by a Network Provider.

- If the services you require are not available from Network Providers, In-Network Benefits will be provided when you use Out-of-Network Providers.
- If you elect to see an Out-of-Network Provider and if the services could have been provided by a Network Provider, only Out-of-Network Benefits will be available.

Use of Non-Contracting Providers

When you choose to receive services, supplies, or care from a Provider that does not contract with BCBSTX (a non-contracting Provider), you receive Out-of-Network Benefits (the lower level of benefits). Benefits for covered services will be reimbursed based on the BCBSTX non-contracting Allowable Amount, which in most cases is less than the Allowable Amount applicable for BCBSTX contracted Providers. Please see the definition of non-contracting Allowable Amount in the **DEFINITIONS** section of this Benefit Booklet. **The non-contracted Provider is not required to accept the BCBSTX non-contracting Allowable Amount as payment in full and may balance bill you for the difference between the BCBSTX non-contracting Allowable Amount and the non-contracting Provider's billed charges. You will be responsible for this balance bill amount, which may be considerable. You will also be responsible for charges for services, supplies, and procedures limited or not covered under the Plan, any applicable Deductibles, Co-Share Amounts, and Copayment Amounts.**

PREAUTHORIZATION REQUIREMENTS

Preauthorization Requirements

Preauthorization establishes in advance the Medical Necessity or Experimental/Investigational nature of certain care and services covered under this Plan. It ensures that the Preauthorized care and services described below will not be denied on the basis of Medical Necessity or Experimental/Investigational. However, Preauthorization does not guarantee payment of benefits.

Coverage is always subject to other requirements of the Plan, such as limitations and exclusions, payment of contributions, and eligibility at the time care and services are provided.

The following types of services require Preauthorization:

- All inpatient Hospital Admissions,
- Extended Care Expenses,
- Home Infusion Therapy,
- All inpatient treatment of Mental Health Care/Serious Mental Illness including partial hospitalization programs and treatment received at Residential Treatment Centers,
- All inpatient treatment of Chemical Dependency including partial hospitalization programs and treatment received at Residential Treatment Centers, and
- If you transfer to another facility or to or from a specialty unit within the facility.
- The following outpatient treatment of Mental Health Care, Serious Mental Illness and Chemical Dependency:
 - Psychological testing,
 - Applied Behavioral Analysis,
 - Neuropsychological testing,
 - Outpatient Electroconvulsive therapy,
 - Intensive Outpatient Program, and
 - Repetitive Transcranial Magnetic Stimulation.

Intensive Outpatient Program means a freestanding or Hospital-based program that provides services for at least three hours per day, two or more days per week, to treat mental illness, drug addiction, substance abuse or alcoholism, or specializes in the treatment of co-occurring mental illness with drug addiction, substance abuse or alcoholism. These programs offer integrated and aligned assessment, treatment and discharge planning services for treatment of severe or complex co-occurring conditions which make it unlikely that the Participants will benefit from programs that focus solely on mental illness conditions.

In-Network Benefits will be available if you use a Network Provider or Network Specialty Care Provider. In-Network Providers will Preauthorize services for you, when required.

If you elect to use Out-of-Network Providers for services and supplies available In-Network, Out-of-Network Benefits will be paid.

However, if care is not available from Network Providers as determined by the Claim Administrator, and the Claim Administrator acknowledges your visit to an Out-of-Network Provider **prior to the visit**, In-Network Benefits will be paid; otherwise, Out-of-Network Benefits will be paid and the claim will have to be resubmitted for review and adjusted, if appropriate.

You are responsible for satisfying Preauthorization requirements. This means that you must ensure that you, your family member, your Physician, Behavioral Health Practitioner or Provider of services must comply with the guidelines below. Failure to Preauthorize services will require additional steps and/or benefit reductions as described in the section entitled *Failure to Preauthorize*.

Preauthorization for Inpatient Hospital Admissions

In the case of an elective inpatient Hospital Admission, the call for Preauthorization should be made at least two working days before you are admitted unless it would delay Emergency Care. In an emergency, Preauthorization should take place within two working days after admission, or as soon thereafter as reasonably possible.

To satisfy Preauthorization requirements, you, your Physician, Provider of services, or a family member should call one of the toll-free numbers shown on the back of your Identification Card. The call should be made between 6:00 a.m. and 6:00 p.m., Central Time, on business days and 9:00 a.m. and 12:00 p.m., Central Time on Saturdays, Sundays and legal holidays. Calls made after these hours will be recorded and returned no later than 24 hours after the call is received. We will follow-up with your Provider's office. After working hours or on weekends, please call the **Medical Preauthorization Helpline** toll-free number listed on the back of your Identification Card. Your call will be recorded and returned the next working day. A benefits management nurse will follow up with your Provider's office. All timelines for Preauthorization requirements are provided in keeping with applicable state and federal regulations.

In-Network Benefits will be available if you use a Network Provider or Network Specialty Care Provider. If you elect to use Out-of-Network Providers for services and supplies available In-Network, Out-of-Network Benefits will be paid. In-Network and Out-of-Network Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied.

However, if care is not available from Network Providers as determined by BCBSTX, and BCBSTX authorizes your visit to an Out-of-Network Provider to be covered at the In-Network Benefit level **prior to the visit**, In-Network Benefits will be paid; otherwise, Out-of-Network Benefits will be paid.

When an inpatient Hospital Admission is Preauthorized, a length-of-stay is assigned. If you require a longer stay than was first Preauthorized, your Provider may seek an extension for the additional days. Benefits will not be available for room and board charges for medically unnecessary days.

Preauthorization not Required for Maternity Care and Treatment of Breast Cancer Unless Extension of Minimum Length of Stay Requested

Your Plan is required to provide a minimum length-of-stay in a Hospital facility for the following:

- Maternity Care
 - 48 hours following an uncomplicated vaginal delivery
 - 96 hours following an uncomplicated delivery by caesarean section
- Treatment of Breast Cancer
 - 48 hours following a mastectomy
 - 24 hours following a lymph node dissection

You or your Provider will not be required to obtain Preauthorization from BCBSTX for a length of stay less than 48 hours (or 96 hours) for Maternity Care or less than 48 hours (or 24 hours) for Treatment of Breast Cancer. If you require a longer stay, you or your Provider must seek an extension for the additional days by obtaining Preauthorization from BCBSTX.

Preauthorization for Extended Care Expenses and Home Infusion Therapy

Preauthorization for Extended Care Expenses and Home Infusion Therapy may be obtained by having the agency or facility providing the services contact the Claim Administrator to request Preauthorization. The request should be made:

- Prior to initiating Extended Care Expenses or Home Infusion Therapy;
- When an extension of the initially Preauthorized service is required; and
- When the treatment plan is altered.

The Claim Administrator will review the information submitted prior to the start of Extended Care Expenses or Home Infusion Therapy and will send a letter to you and the agency or facility confirming Preauthorization or denying benefits. If Extended Care Expenses or Home Infusion Therapy is to take place in less than one week, the agency or facility should call the Claim Administrator's **Medical Preauthorization Helpline** telephone number indicated in this Benefit Booklet or shown on your Identification Card.

If the Claim Administrator has given notification that benefits for the treatment plan requested will be denied based on information submitted, claims will be denied.

Preauthorization for Mental Health Care, Serious Mental Illness, and Treatment of Chemical Dependency

In order to receive maximum benefits, all inpatient treatment for Mental Health Care, Serious Mental Illness, and Chemical Dependency must be Preauthorized by the Plan. Preauthorization is also required for certain outpatient services. Outpatient services requiring Preauthorization include psychological testing, neuropsychological testing, repetitive transcranial magnetic stimulation, Intensive Outpatient Programs, applied behavior analysis, and outpatient electroconvulsive therapy. Preauthorization is not required for therapy visits to a Physician, Behavioral Health Practitioner and/or Professional Other Provider.

To satisfy Preauthorization requirements, you, a family member or your Behavioral Health Practitioner must call the **Mental Health/Chemical Dependency Preauthorization Helpline** toll-free number indicated in this Benefit Booklet or shown on your Identification Card. The **Mental Health/Chemical Dependency Preauthorization Helpline** is available 24 hours a day, 7 days a week. All timelines for Preauthorization requirements are provided in keeping with applicable state and federal regulations.

In-Network Benefits will be available if you use a Network Provider or Network Specialty Care Provider. If you elect to use Out-of-Network Providers for services and supplies available In-Network, Out-of-Network Benefits will be paid. In-Network and Out-of-Network Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied.

However, if care is not available from Network Providers as determined by BCBSTX, and BCBSTX authorizes your visit to an Out-of-Network Provider to be covered at the In-Network Benefit level **prior to the visit**, In-Network Benefits will be paid; otherwise, Out-of-Network Benefits will be paid.

When a treatment or service is Preauthorized, a length of stay or length of service is assigned. If you require a longer stay or length of service than was first Preauthorized, your Behavioral Health Practitioner may seek an extension for the additional days or visits. Benefits will not be available for medically unnecessary treatments or services.

Failure to Preauthorize

If Preauthorization for inpatient Hospital Admissions, Extended Care Expense, Home Infusion Therapy, all inpatient and the above specified outpatient treatment of Mental Health Care, treatment of Serious Mental Illness, and treatment of Chemical Dependency is not obtained:

- BCBSTX will review the Medical Necessity of your treatment or service prior to the final benefit determination.
- If BCBSTX determines the treatment or service is not Medically Necessary or is Experimental/Investigational, benefits will be reduced or denied.
- You may be responsible for a penalty in connection with the following Covered Services, if indicated on your Schedule of Coverage:
 - Inpatient Hospital Admission
 - Inpatient treatment of Mental Health Care, treatment of Serious Mental Illness, and treatment of Chemical Dependency

The penalty charge will be deducted from any benefit payment which may be due for Covered Services.

If an inpatient Hospital Admission, Extended Care Expense, Home Infusion Therapy, any treatment of Mental Health Care, treatment of Serious Mental Illness, and treatment of Chemical Dependency or extension for any treatment or service described above is not Preauthorized and it is determined that the treatment, service, or extension was not Medically Necessary or was Experimental/Investigational, benefits will be reduced or denied.

CLAIM FILING AND APPEALS PROCEDURES

Claim Filing Procedures

Filing of Claims Required

Claim Forms

When the Claim Administrator receives notice of claim, it will furnish to you, or to your Employer for delivery to you, the Hospital, or your Physician or Professional Other Provider, the claim forms that are usually furnished by it for filing Proof of Loss.

The Claim Administrator for the Plan must receive claims prepared and submitted in the proper manner and form, in the time required, and with the information requested before it can consider any claim for payment of benefits.

Who Files Claims

Providers that contract with the Claim Administrator and some other health care Providers (such as *ParPlan* Providers) will submit your claims directly to the Claim Administrator for services provided to you or any of your covered Dependents. At the time services are provided, inquire if they will file claim forms for you. To assist Providers in filing your claims, you should carry your Identification Card with you.

Contracting Providers

When you receive treatment or care from a Provider that contracts with the Claim Administrator, you will generally not be required to file claim forms. The Provider will usually submit the claims directly to the Claim Administrator for you.

Non-Contracting Providers

When you receive treatment or care from a health care Provider that does not contract with the Claim Administrator, you may be required to file your own claim forms. Some Providers, however, will do this for you. If the Provider does not submit claims for you, refer to the subsection entitled *Participant-Filed Claims* below for instruction on how to file your own claim forms.

Participant-Filed Claims - Medical Claims

If your Provider does not submit your claims, you will need to submit them to the Claim Administrator using a Subscriber-filed claim form provided by the Plan. Your Employer should have a supply of claim forms or you can obtain copies from the BCBSTX website at www.bcbstx.com, or by calling Customer Service at the toll-free number on your Identification Card. Follow the instructions on the reverse side of the form to complete the claim. Remember to file each Participant's expenses separately because any Copayment Amounts, Deductibles, maximum benefits, and other provisions are applied to each Participant separately. Include itemized bills from the health care Providers, labs, etc., printed on their letterhead and showing the services performed, dates of service, charges, and name of the Participant involved.

Who Receives Payment

Benefit payments will be made directly to contracting Providers when they bill the Claim Administrator. Written agreements between the Claim Administrator and some Providers may require payment directly to them.

Any benefits payable to you, if unpaid at your death, will be paid to your surviving spouse, as beneficiary. If there is no surviving spouse, then the benefits will be paid to your estate.

Except as provided in the section **Assignment and Payment of Benefits**, rights and benefits under the Plan are not assignable, either before or after services and supplies are provided.

Benefit Payments to a Managing Conservator

Benefits for services provided to your minor Dependent child may be paid to a third party if:

- the third party is named in a court order as managing or possessory conservator of the child; and
- the Claim Administrator has not already paid any portion of the claim.

In order for benefits to be payable to a managing or possessory conservator of a child, the managing or possessory conservator must submit to the Claim Administrator, with the claim form, proof of payment of the expenses and a certified copy of the court order naming that person the managing or possessory conservator.

The Claim Administrator for the Health Benefit Plan may deduct from its benefit payment any amounts it is owed by the recipient of the payment. Payment to you or your Provider, or deduction by the Plan from benefit payments of amounts owed to it, will be considered in satisfaction of its obligations to you under the Plan.

An *Explanation of Benefits* summary is sent to you so you will know what has been paid.

When to Submit Claims

All claims for benefits under the Health Benefit Plan must be properly submitted to the Claim Administrator within twelve (12) months of the date you receive the services or supplies. Claims submitted and received by the Claim Administrator after that date will not be considered for payment of benefits except in the absence of legal capacity.

Receipt of Claims by the Claim Administrator

A claim will be considered received by the Claim Administrator for processing upon actual delivery to the Administrative Office of the Claim Administrator in the proper manner and form and with all of the information required. If the claim is not complete, it may be denied or the Claim Administrator may contact either you or the Provider for the additional information.

After processing the claim, the Claim Administrator will notify the Participant by way of an *Explanation of Benefits* summary.

Review of Claim Determinations

Claim Determinations

When the Claim Administrator receives a properly submitted claim, it has authority and discretion under the Plan to interpret and determine benefits in accordance with the Health Benefit Plan provisions. The Claim Administrator will receive and review claims for benefits and will accurately process claims consistent with administrative practices and procedures established in writing between the Claim Administrator and the Plan Administrator.

You have the right to seek and obtain a full and fair review by the Claim Administrator of any determination of a claim, any determination of a request for Preauthorization, or any other determination made by the Claim Administrator in accordance with the benefits and procedures detailed in your Health Benefit Plan.

If a Claim Is Denied or Not Paid in Full

On occasion, the Claim Administrator may deny all or part of your claim. There are a number of reasons why this may happen. We suggest that you first read the *Explanation of Benefits* summary prepared by the Claim Administrator; then review this Benefit Booklet to see whether you understand the reason for the determination. If you have additional information that you believe could change the decision, send it to the Claim Administrator and request a review of the decision as described in **Claim Appeal Procedures** below.

If the claim is denied in whole or in part, you will receive a written notice from the Claim Administrator with the following information, if applicable:

- The reasons for denial;
- A reference to the Health Benefit Plan provisions on which the denial is based;
- A description of additional information which may be necessary to complete the claim and an explanation of why such information is necessary;
- An explanation of how you may have the claim reviewed by the Claim Administrator if you do not agree with the denial.

How to Appeal an Adverse Benefit Determinations

You have the right to seek and obtain a full and fair internal review of any determination of a claim, any determination of a request for Preauthorization, or any other determination made by the Claim Administrator in accordance with the benefits and procedures detailed in your Health Benefit Plan.

If you believe the Claim Administrator incorrectly denied all or part of your benefits, you may have your claim reviewed. The Claim Administrator will review its decision in accordance with the following procedure:

- Within 180 days after you receive notice of a denial or partial denial, write to the Claim Administrator's Administrative Office. The Claim Administrator will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Claim Review Section
Blue Cross and Blue Shield of Texas
P. O. Box 660044
Dallas, Texas 75266-0044

- The Claim Administrator will honor telephone requests for information. However, such inquiries will not constitute a request for review.
- You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. The Claim Administrator will give you a written decision within 60 days after it receives your request for review.
- If you have any questions about the claims procedures or the review procedure, write to the Claim Administrator's Administrative Office or call the toll-free Customer Service Helpline number shown in this Benefit Booklet or on your Identification Card.

Preauthorization Appeal Procedures

If you or your Physician disagree with the determination of the Preauthorization prior to or while receiving services, you may appeal that decision by contacting the Claim Administrator's Administrative Office.

In some instances, the resolution of the appeal process will not be completed until your inpatient admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter from the Claim Administrator, you may request a review of that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Claim Review Section
Blue Cross and Blue Shield of Texas
P. O. Box 660044
Dallas, Texas 75266-0044

Once you have requested this review, you may submit additional information and comments on your Preauthorization decision to the Claim Administrator as long as you do so within 30 days of the date you ask for a review. Also, during this 30-day period, you may review any documents relevant to your Preauthorization decision held by the Claim Administrator.

Within 30 days of receiving your request to review, the Claim Administrator will send you its decision on the claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30-day period.

Interpretation of Employer's Plan Provisions

The Plan Administrator has given the Claim Administrator the initial authority to establish or construe the terms and conditions of the Health Benefit Plan and the discretion to interpret and determine benefits in accordance with the Health Benefit Plan's provisions.

The Plan Administrator has all powers and authority necessary or appropriate to control and manage the operation and administration of the Health Benefit Plan.

All powers to be exercised by the Claim Administrator or the Plan Administrator shall be exercised in a non-discriminatory manner and shall be applied uniformly to assure similar treatment to persons in similar circumstances.

Claim Dispute Resolution

You must exhaust all administrative remedies as described in the **Review of Claims Determinations** section prior to taking further action under your Health Benefit Plan.

After exhaustion of all remedies offered by the Claim Administrator, your Health Benefit Plan may afford you the right to appeal an adverse determination with the Plan Administrator of your Health Benefit Plan. In that instance, the Plan Administrator is the final interpreter of the Health Benefit Plan and may correct any defect, supply any omission, or reconcile any inconsistency or ambiguity in such manner as it deems advisable. All final determinations and actions concerning the Health Benefit Plan administration and interpretation of benefits shall be made by the Plan Administrator. The Claim Administrator will cooperate in providing the Plan Administrator documents relevant to the claim or Preauthorization decision upon receipt of a valid written authorization from you or your representative to release the relevant information. Our decision letter will inform you of any right that you have to appeal an adverse determination with the Plan Administrator. You may also contact your Plan Administrator for additional information.

ELIGIBLE EXPENSES, PAYMENT OBLIGATIONS, AND BENEFITS

Eligible Expenses

The Plan provides coverage for the following categories of Eligible Expenses:

- Inpatient Hospital Expenses
- Medical-Surgical Expenses
- Extended Care Expenses
- Special Provisions Expenses

Wherever Schedule of Coverage is mentioned, please refer to your Schedule(s) in this Benefit Booklet. Your benefits are calculated on a Plan Year benefit period basis unless otherwise stated. At the end of a Plan Year, a new benefit period starts for each Participant.

Copayment Amounts

Some of the care and treatment you receive under the Plan will require that a Copayment Amount be paid at the time you receive the services. Refer to your Schedule of Coverage under “Copayment Amounts Required” for your specific Plan information.

A Copayment Amount will be required for most Physician office visits, including lab and x-ray. If the services provided by your Physician require a return office visit (lab services for instance) on a different day, a new Copayment Amount will be required. A Copayment Amount will be required for the initial office visit for Maternity Care, but will not be required for subsequent visits.

The following services are not payable under this Copayment Amount provision but instead are considered Medical-Surgical Expense and may be subject to any Deductible shown on your Schedule of Coverage:

- surgery performed in the Physician’s office;
- physical therapy billed separately from an office visit;
- occupational modalities in conjunction with physical therapy;
- allergy injections billed separately from an office visit;
- therapeutic injections;
- any services requiring Preauthorization;
- services provided by an Independent Lab, Imaging Center, radiologist, pathologist, and anesthesiologist;
- outpatient treatment therapies or services such as radiation therapy, chemotherapy, and renal dialysis.

A Copayment Amount will be required for each visit to an Urgent Care Center. If the services provided require a return office visit (lab services for instance) on a different day, a new Copayment Amount will be required. The following services are not payable under this Copayment Amount provision but instead are considered Medical-Surgical Expense, shown on your Schedule of Coverage:

- surgery performed in the Urgent Care center;
- physical therapy billed separately from an Urgent Care visit;
- occupational modalities in conjunction with physical therapy;
- allergy injections billed separately from an Urgent Care visit;
- therapeutic injections;
- any services requiring Preauthorization;
- Certain Diagnostic Procedures;
- outpatient treatment therapies or services such as radiation therapy, chemotherapy, and renal dialysis.

A Copayment Amount will be required for facility charges for each Hospital outpatient emergency room visit. If admitted to the Hospital as a direct result of the emergency condition or accident, the Copayment Amount will be waived.

A Copayment Amount, if shown on your Schedule of Coverage, will be required for each visit to a Retail Health Clinic.

A Copayment Amount, if shown on your Schedule of Coverage, will be required for each Virtual Visit.

Deductibles

The benefits of the Plan will be available after satisfaction of the applicable Deductibles as shown on your Schedule of Coverage. The Deductibles are explained as follows:

Plan Year Deductible: The individual Deductible amount shown under “Deductibles” on your Schedule of Coverage must be satisfied by each Participant under your coverage each Plan Year.

The following are exceptions to the Deductibles described above:

In-Network *Preventive Care Services* are not subject to Deductibles.

Your Schedule of Coverage indicates “Three-Month Deductible carryover applies.” This means that any Eligible Expenses incurred during the last three months of a Plan Year and applied toward satisfaction of the Plan Year Deductible for that Plan Year may be applied toward satisfaction of that Deductible for the following Plan Year.

If you have several covered Dependents, all charges used to apply toward an “individual” Deductible amount will be applied toward the “family” Deductible amount shown on your Schedule of Coverage. When that family Deductible amount is reached, no further individual Deductibles will have to be satisfied for the remainder of that Plan Year. No Participant will contribute more than the individual Deductible amount to the “family” Deductible amount.

Eligible Expenses applied toward satisfying the “individual” Deductible will apply toward both the In-Network and the Out-of-Network Deductible amounts shown on your Schedule of Coverage. Eligible Expenses applied toward satisfying the “family” Deductible will apply toward both the In-Network and the Out-of-Network Deductible amount shown on your Schedule of Coverage.

Co-Share Stop-Loss Amount

Most of your Eligible Expense payment obligations including Deductibles are considered Co-Share Amounts and are applied to the Co-Share Stop-Loss Amount maximum.

Your Co-Share Stop-Loss Amount will **not** include:

- Services, supplies, or charges limited or excluded by the Plan;
- Expenses not covered because a benefit maximum has been reached;
- Any Eligible Expenses paid by the Primary Plan when the Plan is the Secondary Plan for purposes of coordination of benefits;
- Copayment Amounts;
- Penalties applied for failure to Preauthorize.

Individual Co-Share Stop-Loss Amount

When the Co-Share Amount for the In-Network or Out-of-Network Benefits level for a Participant in a Plan Year equals the “individual” “Co-Share Stop-Loss Amount” shown on your Schedule of Coverage for that level, the benefit percentages automatically increase to 100% for purposes of determining the benefits available for additional Eligible Expenses incurred by that Participant for the remainder of that Plan Year for that level.

Family Co-Share Stop-Loss Amount

When the Co-Share Amount for the In-Network or Out-of-Network Benefits level for all Participants under your coverage in a Plan Year equals the “family” “Co-Share Stop-Loss Amount” shown on your Schedule of Coverage for that level, the benefit percentages automatically increase to 100% for purposes of determining the benefits available for additional Eligible Expenses incurred by all family Participants for the remainder of that Plan Year for that level. No Participant will be required to contribute more than the individual Co-Share Stop-Loss Amount to the family “Co-Share Stop-Loss Amount.”

The following are exceptions to the Co-Share Stop-Loss Amounts described above:

There are separate Co-Share Stop-Loss Amounts for In-Network Benefits and Out-of-Network Benefits.

Eligible Expenses applied toward satisfying the “individual” Co-Share Stop-Loss Amount maximum will apply toward both the In-Network and the Out-of-Network “Co-Share Stop-Loss Amount” maximum shown on your Schedule of Coverage. Eligible Expenses applied toward satisfying the “family” Co-Share Stop-Loss Amount maximum will apply toward both the In-Network and the Out-of-Network “Co-Share Stop-Loss Amount” maximum shown on your Schedule of Coverage.

Copayment Amounts for In-Network Benefits and Out-of-Network Benefits will continue to be required after the benefit percentages become 100%.

Copayment Amount for Urgent Care visits for In-Network Benefits will continue to be required after the benefit percentages become 100%.

Changes In Benefits

Changes to covered benefits will apply to all services provided to each Participant under the Plan. Benefits for Eligible Expenses incurred during an admission in a Hospital or Facility Other Provider that begins before the change will be those benefits in effect on the day of admission.

COVERED MEDICAL SERVICES

Inpatient Hospital Expenses

The Plan provides coverage for Inpatient Hospital Expenses for you and your eligible Dependents. Each inpatient Hospital Admission requires Preauthorization. Refer to the **PREAUTHORIZATION REQUIREMENTS** subsection of this Benefit Booklet for additional information.

The benefit percentage of your total eligible Inpatient Hospital Expense, in excess of any Deductible, shown under “Inpatient Hospital Expenses” on your Schedule of Coverage is the Plan’s obligation. The remaining unpaid Inpatient Hospital Expense, in excess of any Deductible, is your obligation to pay. This excess amount will be applied to the Co-Share Amounts.

Services and supplies provided by an Out-of-Network Provider will receive In-Network Benefits when those services and supplies are not available from a Network Provider provided the Claim Administrator acknowledges your visit to an Out-of-Network Provider **prior** to the visit. Otherwise, Out-of-Network Benefits will be paid and the claim will have to be resubmitted for review and adjustment, if appropriate.

Refer to your Schedule of Coverage for information regarding Deductibles, Co-Share percentages, and penalties for failure to Preauthorize that may apply to your coverage.

Medical-Surgical Expenses

The Plan provides coverage for Medical-Surgical Expense for you and your covered Dependents. Some services require Preauthorization. Refer to the **PREAUTHORIZATION REQUIREMENTS** subsection of this Benefit Booklet for more information.

Copayment Amounts must be paid to your Network Physician or other Network Providers at the time you receive services.

The benefit percentages of your total eligible Medical-Surgical Expense shown under “Medical-Surgical Expenses” on your Schedule of Coverage in excess of your Copayment Amounts, Co-Share Amounts, and any applicable Deductibles shown are the Plan’s obligation. The remaining unpaid Medical-Surgical Expense in excess of the Copayment Amounts, Co-Share Amounts, and any Deductibles is your obligation to pay.

Medical-Surgical Expense shall include:

1. Services of Physicians and Professional Other Providers.
2. Consultation services of a Physician and Professional Other Provider.
3. Services of a certified registered nurse-anesthetist (CRNA).
4. Diagnostic x-ray and laboratory procedures.
5. Radiation therapy.
6. Rental of durable medical equipment required for therapeutic use unless purchase of such equipment is required by the Plan. The term “durable medical equipment (DME)” shall not include:
 - a. Equipment primarily designed for alleviation of pain or provision of patient comfort; or
 - b. Home air fluidized bed therapy.

Examples of non-covered equipment include, but are not limited to, air conditioners, air purifiers, humidifiers, physical fitness equipment, and whirlpool bath equipment.

7. For Emergency Care, professional local ground ambulance transportation or air ambulance transportation to the nearest Hospital appropriately equipped and staffed for treatment of the Participant's condition. Non-Emergency ground ambulance transportation from one acute care Hospital to another acute care Hospital for diagnostic or therapeutic services (e.g., MRI, CT scans, acute interventional cardiology, intensive care unit services, etc.) may be considered Medically Necessary when specific criteria are met. The non-emergency ground ambulance transportation to or from a hospital or medical facility, outside of the acute care hospital setting, may be considered Medically Necessary when the Participant's condition is such that trained ambulance attendants are required to monitor the Participant's clinical status (e.g., vital signs and oxygenation), or provide treatment such as oxygen, intravenous fluids or medications, in order to safely transport the Participant, or the Participant is confined to bed and cannot be safely transported by any other means. Non-Emergency ground ambulance transportation services provided primarily for the convenience of the Participant, the Participant's family/caregivers or Physician, or the transferring facility are considered not Medically Necessary.

The payment methodology used may include diagnosis-related groups (DRG), fee schedule, package pricing, global pricing, per diems, case-rates, discounts, or other payment methodologies.
- ***For Hospitals and Facility Other Providers, Physicians, Professional Other Providers, and any other provider not contracting with the Claim Administrator in Texas*** – The Allowable Amount will be the lesser of: (i) the Provider's billed charges, or; (ii) the BCBSTX non-contracting Allowable Amount. Such factor shall be not less than 75% and will exclude any Medicare adjustment(s) which is/are based on information on the claim.

Notwithstanding the preceding sentence, the non-contracting Allowable Amount for Home Health Care is developed from base Medicare national per visit amounts for low utilization payment adjustment, or LUPA, episodes by Home Health discipline type adjusted for duration and adjusted by a predetermined factor established by the Claim Administrator. Such factor shall be not less than 75% and shall be updated on a periodic basis.

When a Medicare reimbursement rate is not available or is unable to be determined based on the information submitted on the claim, the Allowable Amount for non-contracting Providers will represent an average contract rate in aggregate for Network Providers adjusted by a predetermined factor established by the Claim Administrator. Such factor shall be not less than 75% and shall be updated not less than every two years.

The Claim Administrator will utilize the same claim processing rules and/or edits that it utilizes in processing Network Provider claims for processing claims submitted by non-contracted Providers which may also alter the Allowable Amount for a particular service. Any change to the Medicare reimbursement amount will be implemented by the Claim Administrator within ninety (90) days after the effective date that such change is implemented by the Centers for Medicaid and Medicare Services, or its successor.

The non-contracting Allowable Amount does not equate to the Provider's billed charges and Participants receiving services from a non-contracted Provider will be responsible for the difference between the non-contracting Allowable Amount and the non-contracted Provider's billed charge, and this difference may be considerable. To find out the BCBSTX non-contracting Allowable Amount for a particular service, Participants may call customer service at the number on the back of your BCBSTX Identification Card.

GENERAL PROVISIONS

Agent

The Employer is not the agent of the Claim Administrator.

Amendments

The Plan may be amended or changed at any time by agreement between the Employer and the Claim Administrator.

Assignment and Payment of Benefits

Rights and benefits under the Plan shall not be assignable, either before or after services and supplies are provided.

In the absence of a written agreement with a Provider, the Claim Administrator reserves the right to make benefit payments to the Provider or the Employee, as the Claim Administrator elects. Payment to either party discharges the Plan's responsibility to the Employee or Dependents for benefits available under the Plan.

Claims Liability

BCBSTX, in its role as Claim Administrator, provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Disclosure Authorization

If you file a claim for benefits, it will be necessary that you authorize any health care Provider, insurance carrier, or other entity to furnish the Claim Administrator all information and records or copies of records relating to the diagnosis, treatment, or care of any individual included under your coverage. If you file claims for benefits, you and your Dependents will be considered to have waived all requirements forbidding the disclosure of this information and records.

Medicare

Special rules apply when you are covered by this Plan and by Medicare. Generally, this Plan is a Primary Plan if you are an active Employee, and Medicare is a Primary Plan if you are a retired Employee.

Participant/Provider Relationship

The choice of a health care Provider should be made solely by you or your Dependents. The Claim Administrator does not furnish services or supplies but only makes payment for Eligible Expenses incurred by Participants. The Claim Administrator is not liable for any act or omission by any health care Provider. The Claim Administrator does not have any responsibility for a health care Provider's failure or refusal to provide services or supplies to you or your Dependents. Care and treatment received are subject to the rules and regulations of the health care Provider selected and are available only for sickness or injury treatment acceptable to the health care Provider.

The Claim Administrator, Network Providers, and/or other contracting Providers are independent contractors with respect to each other. The Claim Administrator in no way controls, influences, or participates in the health care treatment decisions entered into by said Providers. The Claim Administrator does not furnish medical, surgical, hospitalization, or similar services or supplies, or practice medicine or treat patients. The Providers, their employees, their agents, their ostensible agents, and/or their representatives do not act on behalf of BCBSTX nor are they employees of BCBSTX.

Refund of Benefit Payments

If the Claim Administrator pays benefits for Eligible Expenses incurred by you or your Dependents and it is found that the payment was more than it should have been, or was made in error, the Plan has the right to a refund from the person to or for whom such benefits were paid, any other insurance company, or any other organization. If no refund is received, the Claim Administrator may deduct any refund due it from any future benefit payment.

Rescission

Rescission is the cancellation or discontinuance of coverage that has retroactive effect. Your coverage may not be rescinded unless you or a person seeking coverage on your behalf performs an act, practice or omission that constitutes fraud, or makes an intentional misrepresentation of material fact. A cancellation or discontinuance of coverage that has only prospective effect is not a rescission. A retroactive cancellation or discontinuance of coverage based on a failure to timely pay required premiums or contributions toward the cost of coverage (including COBRA premiums) is not a rescission. You will be given 30 days advance notice of rescission. A rescission is considered an Adverse Benefit Determination for which you may seek internal review and external review.

Subrogation

If the Plan pays or provides benefits for you or your Dependents, the Plan is subrogated to all rights of recovery which you or your Dependent have in contract, tort, or otherwise against any person, organization, or insurer for the amount of benefits the Plan has paid or provided. That means the Plan may use your rights to recover money through judgment, settlement, or otherwise from any person, organization, or insurer.

For the purposes of this provision, *subrogation* means the substitution of one person or entity (the Plan) in the place of another (you or your Dependent) with reference to a lawful claim, demand or right, so that he or she who is substituted succeeds to the rights of the other in relation to the debt or claim, and its rights or remedies.

Right of Reimbursement

In jurisdictions where subrogation rights are not recognized, or where subrogation rights are precluded by factual circumstances, the Plan will have a right of reimbursement.

If you or your Dependent recover money from any person, organization, or insurer for an injury or condition for which the Plan paid benefits, you or your Dependent agree to reimburse the Plan from the recovered money for the amount of benefits paid or provided by the Plan. That means you or your Dependent will pay to the Plan the amount of money recovered by you through judgment, settlement or otherwise from the third party or their insurer, as well as from any person, organization or insurer, up to the amount of benefits paid or provided by the Plan.

Right to Recovery by Subrogation or Reimbursement

You or your Dependent agree to promptly furnish to the Plan all information which you have concerning your rights of recovery from any person, organization, or insurer and to fully assist and cooperate with the Plan in protecting and obtaining its reimbursement and subrogation rights. You, your Dependent or your attorney will notify the Plan before settling any claim or suit so as to enable us to enforce our rights by participating in the settlement of the claim or suit. You or your Dependent further agree not to allow the reimbursement and subrogation rights of the Plan to be limited or harmed by any acts or failure to act on your part.

Coordination of Benefits

The availability of benefits specified in This Plan is subject to Coordination of Benefits (COB) as described below. This COB provision applies to This Plan when a Participant has health care coverage under more than one Plan.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan shall not be reduced when This Plan determines its benefits before another Plan; but may be reduced when another Plan determines its benefits first.

Coordination of Benefits – Definitions

1. **Plan** means any group insurance or group-type coverage, whether insured or uninsured.
This includes:
 - a. group or blanket insurance;
 - b. franchise insurance that terminates upon cessation of employment;
 - c. group hospital or medical service plans and other group prepayment coverage;

- d. any coverage under labor-management trustee arrangements, union welfare arrangements, or employer organization arrangements; or
- e. governmental plans, or coverage required or provided by law.

Plan does not include:

- a. any coverage held by the Participant for hospitalization and/or medical-surgical expenses which is written as a part of or in conjunction with any automobile casualty insurance policy;
- b. a policy of health insurance that is individually underwritten and individually issued;
- c. school accident type coverage; or
- d. a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended).

Each contract or other arrangement for coverage is a separate Plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.

2. **This Plan** means the part of this Benefit Booklet that provides benefits for health care expenses.

3. **Primary Plan/Secondary Plan**

The order of benefit determination rules state whether This Plan is a Primary Plan or Secondary Plan covering the Participant. A *Primary Plan* is a Plan whose benefits are determined before those of the other Plan and without considering the other Plan's benefit. A *Secondary Plan* is a Plan whose benefits are determined after those of a Primary Plan and may be reduced because of the other Plan's benefits.

When there are more than two Plans covering the Participant, This Plan may be a Primary Plan as to one or more other Plans, and may be a Secondary Plan as to a different Plan or Plans.

4. **Allowable Expense** means a necessary, reasonable, and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the Participant for whom claim is made.

5. **Claim Determination Period** means a Plan Year. However, it does not include any part of a year during which a Participant has no coverage under This Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

6. **We or Us** means Blue Cross and Blue Shield of Texas.

Order of Benefit Determination Rules

1. **General Information**

a. When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan which has its benefits determined after those of the other Plan, unless (a) the other Plan has rules coordinating its benefits with those of This Plan, and (b) both those rules and This Plan's rules require that This Plan's benefits be determined before those of the other Plan.

b. If this Benefit Booklet contains any dental or vision benefits, the benefits provided by the health portion of This Plan will be the Secondary Plan.

2. **Rules**

This Plan determines its order of benefits using the first of the following rules which applies:

a. **Non-Dependent/Dependent.** The benefits of the Plan which covers the Participant as an Employee, member or subscriber are determined before those of the Plan which covers the Participant as a Dependent. However, if the Participant is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

- (1) secondary to the Plan covering the Participant as a Dependent and
- (2) primary to the Plan covering the Participant as other than a Dependent (e.g., a retired Employee), then the benefits of the Plan covering the Participant as a Dependent are determined before those of the Plan covering that Participant other than a Dependent.

b. ***Dependent Child/Parents Not Separated or Divorced.*** Except as stated in Paragraph c below, when This Plan and another Plan cover the same child as a Dependent of different parents:

- (1) The benefits of the Plan of the parent whose birthday falls earlier in a Plan Year are determined before those of the Plan of the parent whose birthday falls later in that Plan Year; but

- (2) If both parents have the same birthday, the benefits of the Plan which covered one parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described in this Paragraph b, but instead has a rule based on gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

c. ***Dependent Child/Parents Separated or Divorced.*** If two or more Plans cover a Participant as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:

- (1) First, the Plan of the parent with custody of the child;
- (2) Then, the Plan of the spouse of the parent with custody, if applicable;
- (3) Finally, the Plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expense of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. The Plan of the other parent shall be the Secondary Plan. This paragraph does not apply with respect to any Plan Year during which any benefits are actually paid or provided before the entity has that actual knowledge.

d. ***Joint Custody.*** If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the Plans covering the child shall follow the order of benefit determination rules outlined in Paragraph b.

e. ***Active/Inactive Employee.*** The benefits of a Plan which covers a Participant as an Employee who is neither laid off nor retired are determined before those of a Plan which covers that Participant as a laid off or retired Employee. The same would hold true if a Participant is a Dependent of a person covered as a retired Employee and an Employee. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this Paragraph e does not apply.

f. ***Continuation Coverage.*** If a Participant whose coverage is provided under a right of continuation pursuant to federal or state law is also covered under another Plan, the following shall be the order of benefit determination:

- (1) First, the benefits of a Plan covering the Participant as an Employee, member or subscriber (or as that Participant's Dependent);
- (2) Second, the benefits under the continuation coverage.

If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits this Paragraph f does not apply.

g. ***Longer/Shorter Length of Coverage.*** If none of the above rules determine the order of benefits, the benefits of the Plan which covered an Employee, member or subscriber longer are determined before those of the Plan which covered that Participant for the shorter period of time.

Effect on the Benefits of This Plan

1. When This Section Applies

This section applies when This Plan is the Secondary Plan in accordance with the order of benefits determination outlined above. In that event, the benefits of This Plan may be reduced under this section.

2. **Reduction in this Plan's Benefits**

The benefits of This Plan will be reduced when the sum of:

- a. The benefits that would be payable for the Allowable Expense under This Plan in the absence of this COB provision; and
- b. The benefits that would be payable for the Allowable Expense under the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made exceeds those Allowable Expenses in a Claim Determination Period.

In that case, the benefits of This Plan will be reduced so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses.

When the benefits of This Plan are reduced as previously described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

Right to Receive and Release Needed Information

We assume no obligation to discover the existence of another Plan, or the benefits available under the other Plan, if discovered. We have the right to decide what information we need to apply these COB rules. We may get needed information from or release information to any other organization or person without telling, or getting the consent of, any person. Each person claiming benefits under This Plan must give us any information concerning the existence of other Plans, the benefits thereof, and any other information needed to pay the claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again.

Right to Recovery

If the amount of the payments We make is more than We should have paid under this COB provision, We may recover the excess from one or more of:

1. the persons We have paid or for whom We have paid; or
2. insurance companies; or
3. Hospitals, Physicians, or Other Providers; or
4. any other person or organization.

Termination of Coverage

Termination of Individual Coverage

Coverage under the Plan for you and/or your Dependents will automatically terminate when:

1. Your contribution for coverage under the Plan is not received timely by the Plan Administrator; or
2. You no longer satisfy the definition of an Employee as defined in this Benefit Booklet, including termination of employment; or
3. The Plan is terminated or the Plan is amended, at the direction of the Plan Administrator, to terminate the coverage of the class of Employees to which you belong; or
4. A Dependent ceases to be a Dependent as defined in the Plan.

However, when any of these events occur, you and/or your Dependents may be eligible for continued coverage. See **Continuation of Group Coverage – Federal** in the **GENERAL PROVISIONS** section of this Benefit Booklet.

The Claim Administrator may refuse to renew the coverage of an eligible Employee or Dependent for fraud or intentional misrepresentation of a material fact by that individual.

Coverage for a child of any age who is medically certified as *Disabled* and dependent on the parent will not terminate upon reaching the limiting age shown in your Schedule of Coverage if the child continues to be both:

1. *Disabled*, and
2. Dependent upon you for more than one-half of his support as defined by the Internal Revenue Code of the United States.

Disabled means any medically determinable physical or mental condition that prevents the child from engaging in self-sustaining employment. The disability must begin while the child is covered under the Plan and before the child attains the limiting age. You must submit satisfactory proof of the disability and dependency through your Plan Administrator to the Claim Administrator within 31 days following the child's attainment of the limiting age. As a condition to the continued coverage of a child as a *Disabled* Dependent beyond the limiting age, the Claim Administrator may require periodic certification of the child's physical or mental condition but not more frequently than annually after the two-year period following the child's attainment of the limiting age.

Termination of the Group

The coverage of all Participants will terminate if the group is terminated in accordance with the terms of the Plan.

Continuation of Group Coverage – Federal

COBRA Continuation – Federal

Under the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Participants may have the right to continue coverage after the date coverage ends. Participants will not be eligible for COBRA continuation if the Employer is exempt from the provisions of COBRA.

Minimum Size of Group

The Group must have normally employed more than twenty (20) employees on a typical business day during the preceding Plan Year. This refers to the number of full-time and part-time employees employed, not the number of employees covered by a Health Benefit Plan.

Loss of Coverage

If coverage terminates as the result of termination (other than for gross misconduct) or reduction of employment hours, then the Participant may elect to continue coverage for eighteen (18) months from the date coverage would otherwise cease.

A covered Dependent may elect to continue coverage for thirty-six (36) months from the date coverage would otherwise cease if coverage terminates as the result of:

1. divorce from the covered Employee,
2. death of the covered Employee,
3. the covered Employee becomes eligible for Medicare, or
4. a covered Dependent child no longer meets the Dependent eligibility requirements.

COBRA continuation under the Plan ends at the earliest of the following events:

1. The last day of the eighteen (18) month period for events which have a maximum continuation period of eighteen (18) months.
2. The last day of the thirty-six (36) month period for events which have a maximum continuation period of thirty-six (36) months.

3. The first day for which timely payment of contribution is not made to the Plan with respect to the qualified beneficiary.
4. The Group Health Plan is canceled.
5. The date, after the date of the election, upon which the qualified beneficiary first becomes covered under any other group health plan.
6. The date, after the date of the election, upon which the qualified beneficiary first becomes entitled to Medicare benefits.

Extension of Coverage Period

The eighteen (18) month coverage period may be extended if an event which could otherwise qualify a Participant for the thirty-six (36) month coverage period occurs during the eighteen (18) month period, but in no event may coverage be longer than thirty-six (36) months from the initial qualifying event.

If a Participant is determined to be disabled as defined under the Social Security Act and the Participant notifies the Employer before the end of the initial eighteen (18) month period, coverage may be extended up to an additional eleven (11) months for a total of twenty-nine (29) months. This provision is limited to Participants who are disabled at any time during the first sixty (60) days of COBRA continuation and only if the qualifying event is termination of employment (other than for gross misconduct) or reduction of employment hours.

Notice of COBRA Continuation Rights

The Employer is responsible for providing the necessary notification to Participants as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 and the Tax Reform Act of 1986.

Other Blue Cross and Blue Shield Plans Separate Financial Arrangements with Providers

Out-of-Area Services

Blue Cross and Blue Shield of Texas (BCBSTX) has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Programs.” Whenever you obtain healthcare services outside of BCBSTX service area, the claims for these services may be processed through one of these Inter-Plan Programs, which includes the BlueCard Program, and may include negotiated National Account arrangements available between BCBSTX and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care outside our service area, you will obtain care from healthcare Providers that have a contractual agreement (i.e., are “participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, you may obtain care from non-participating healthcare Providers. Our payment practices in both instances are described below.

A. BlueCard® Program

Under the BlueCard® Program, when you access covered healthcare services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare Providers.

Whenever you access covered healthcare services outside BCBSTX’s service area and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services is calculated based on the lower of:

- The billed covered charges for your covered services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare Provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

B. Negotiated (non-BlueCard Program) National Account Arrangements

As an alternative to the BlueCard Program, your claims for covered healthcare services may be processed through a negotiated National Account arrangement with a Host Blue.

The amount you pay for covered healthcare services under this arrangement will be calculated based on the lower of either billed covered charges or negotiated price (Refer to the description of negotiated price under Section A., BlueCard Program) made available to us by the Host Blue.

NOTICE

C. Non-Participating Healthcare Providers Outside BCBSTX Service Area

1. In General

When Covered Services are provided outside of the Plan's service area by non-participating healthcare Providers, the amount(s) you pay for such services will be calculated using the methodology described in the Benefit Booklet for non-participating healthcare Providers located inside our service area. You may be responsible for the difference between the amount that the non-participating healthcare Provider bills and the payment the Plan will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

2. Exceptions

In some exception cases, the Plan may, but is not required to, in its sole and absolute discretion negotiate a payment with such non-participating healthcare Provider on an exception basis. If a negotiated payment is not available, then the Plan may make a payment based on the lesser of:

- a. the amount calculated using the methodology described in the Benefit Booklet for non-participating healthcare Providers located inside your service area (and described in Section C(a)(1) above); or
- b. The following:
 1. for professional Providers, an amount equal to the greater of the minimum amount required in the methodology described in the Benefit Booklet for non-participating healthcare Providers located inside your service area; or an amount based on publicly available Provider reimbursement data for the same or similar professional services, adjusted for geographical differences where applicable, or
 2. for Hospital or facility Providers, an amount equal to the greater of the minimum amount required in the methodology described in the Benefit Booklet for non-participating healthcare Providers located inside your service area; or an amount based on publicly available data reflecting the approximate costs that Hospitals or facilities have incurred historically to provide the same or similar service, adjusted for geographical differences where applicable, plus a margin factor for the Hospital or facility.

In these situations, you may be liable for the difference between the amount that the non-participating healthcare Provider bills and the payment Blue Cross and Blue Shield of Texas will make for the Covered Services as set forth in this paragraph.

D. Value-Based Programs BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not bear any portion of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees of such arrangement, except when a Host Blue passes these fees to Blue Cross and Blue Shield of Texas through average pricing or fee schedule incentive adjustments.

Under the Agreement, Employer has with Blue Cross and Blue Shield of Texas, Blue Cross and Blue Shield of Texas and Employer will not impose cost sharing for Care Coordinator Fees.

E. Blue Cross Blue Shield Global Core Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), you may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard service area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day,

NOTICE

seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if you contact the service center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-share amounts/Deductibles, Co-Share Amounts, etc. In such cases, the hospital will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for Covered Services. **You must contact the Plan to obtain Preauthorization for non-emergency inpatient services.**

- **Outpatient Services**

Outpatient Services are available for Emergency Care. Physicians, urgent care centers and other outpatient Providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When you pay for Covered Services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Plan, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

The Women's Health and Cancer Rights Act of 1998 requires this notice. This Act is effective for plan year anniversaries on or after October 21, 1998. This benefit may already be included as part of your coverage.

1. Reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and

Deductibles, Co-Share and copayment amounts will be the same as those applied to other similarly covered medical services, such as surgery and prostheses.

NOTICE

ALTHOUGH HEALTH CARE SERVICES MAY BE OR HAVE BEEN PROVIDED TO YOU AT A HEALTH CARE FACILITY THAT IS A MEMBER OF THE PROVIDER NETWORK USED BY YOUR HEALTH BENEFIT PLAN, OTHER PROFESSIONAL SERVICES MAY BE OR HAVE BEEN PROVIDED AT OR THROUGH THE FACILITY BY PHYSICIANS AND OTHER HEALTH CARE PRACTITIONERS WHO ARE NOT MEMBERS OF THAT NETWORK. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE PROFESSIONAL SERVICES THAT ARE NOT PAID OR COVERED BY YOUR HEALTH BENEFIT PLAN.

NOTICE

This group health plan believes this plan is a “grandfathered health plan” under the Affordable Care Act. As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your Employer or the Plan Administrator.

If your group health plan is subject to the Employee Retirement Income Security Act (ERISA), you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans. For nonfederal governmental plans, inquiries may be directed to the U.S. Department of Health and Human Services at www.healthreform.gov.

NOTICE

CONTINUATION COVERAGE RIGHTS UNDER COBRA

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Group Administrator should you have any questions about COBRA.

INTRODUCTION

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage may be available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

WHAT IS COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they will lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

WHEN IS COBRA COVERAGE AVAILABLE?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

YOU MUST GIVE NOTICE OF SOME QUALIFYING EVENTS

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

HOW IS COBRA COVERAGE PROVIDED?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of

COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.
