BEWARE OF FREESTANDING EMERGENCY ROOMS

Urgent care centers and freestanding ERs can be hard to tell apart. Always use BCBSTX's Provider Finder via www.bcbstx.com/member to find in-network urgent care centers.

Health

Medical Tools & Resources

Health

Health Savings Accounts

Optum Bank

The CDHP Public Safety Plan offers comprehensive health care coverage at a lower premium and higher deductible than traditional health care plans. The plan also features a health savings account (HSA) that enables you to pay for current, qualified health care expenses and save for future expenses on a tax-free basis. You have the opportunity to set aside funds in your HSA before taxes through convenient payroll deductions (see “How Your HSA Is Funded”).

HOW THE CDHP PUBLIC SAFETY PLAN WORKS

The CDHP Public Safety Plan, along with your HSA, puts health care spending in your hands. With lower premiums to pay for coverage, you choose how to spend your health care dollars. You can either pay for eligible services by using funds in your HSA, or you can pay for them out of your own pocket. Note: You can only use HSA funds as they are deposited in your account. You can always reimburse yourself later once you have accumulated funds in your account.

HOW YOUR HSA IS FUNDED

Your Contributions

There are two ways to contribute money to your HSA:

- **Pre-tax contributions** through payroll deductions
- **After-tax cash contributions** that are deductible when you file your taxes

City Contributions

The City will contribute, per fiscal year, \$1,600 for employees enrolled in the Police CDHP plan. New hires will receive \$61.54 per pay period for the remaining pay periods (depending on hire date) in the fiscal year. Note: Even if you choose not to contribute to your HSA, you must submit the completed application in order to receive the City’s contribution.

Total Annual Contribution Limit

It is important to note that your contributions, combined with the City’s contributions, may not exceed the IRS annual maximum of \$3,650 for individual coverage and \$7,300 for family coverage this fiscal year. Note: Individuals 55

and older may make additional “catch-up” contributions up to \$1,000 each year until they enroll in Medicare.

IRS INFORMATION

Participation in an HSA carries with it the IRS requirement to include a completed Form 8889 with your annual tax return. More information is available at <https://www.irs.gov/forms-pubs/about-form-8889>. If you participate in an HSA, you cannot participate in a flexible spending account (FSA).

Advantages of an HSA

Triple-Tax Advantage

- You contribute pre-tax funds through payroll deductions, meaning the money comes out of your paycheck before federal income tax is calculated. This, in turn, reduces the amount of taxable income, so less tax is withheld from your paycheck.
- Funds grow tax-free, and unused funds roll over year to year.
- You can withdraw funds tax-free to pay for qualified health care expenses now and in the future—even in retirement.

Control

You own and control the money in your HSA. You decide how or if you want to spend it. You can use it to pay for doctor’s visits, prescriptions, braces, glasses—even laser vision correction surgery.

Investment Opportunities

Once you reach and maintain a minimum balance, you can make investments to help your money grow tax-free.

Savings Potential

There is no “use it or lose it” rule. Your account grows over time as you continue to roll over unused dollars from year to year.

Portability

Your HSA is yours for life. The money is yours to spend or save, regardless of whether you change health plans,* retire or leave the company.

*You must be enrolled in a qualified high-deductible health plan to contribute to an HSA.

Examples of Eligible vs. Ineligible Expenses

Eligible Expenses

- Deductibles
- Copays
- Coinsurance
- Prescription medications
- Dental and vision care
- Medical supplies

Ineligible Expenses

- Premiums (exceptions include: premiums for qualified long-term care insurance; health insurance when you are receiving federal or state unemployment; continuation of coverage such as COBRA or Medicare)
- Teeth whitening
- Dental veneers
- Cosmetic prescriptions
- Surgery for purely cosmetic reasons
- Health club dues

Note: If you use HSA funds for an ineligible expense, you will be assessed a 20 percent penalty. For a complete list of qualified health care expenses, refer to IRS Publication 502, available online at <http://www.irs.gov/pub/irs-pdf/p502.pdf>.

IMPORTANT NOTES

- You cannot fund both an HSA and health care FSA in the same year.
- If you die, your HSA will be treated as your surviving spouse’s HSA, but only if your spouse is the named beneficiary. If there is no surviving spouse or your spouse is not the beneficiary, then the savings account will cease to be an HSA and will be included in the federal gross income of your estate or named beneficiary.

WEALTH

Life Insurance

Blue Cross Blue Shield of Texas

Life insurance offers peace of mind when it comes to making sure your loved ones are financially secure for the future. The City provides every full-time employee with basic life at no cost to you. You also have the option of purchasing additional life insurance for yourself, your spouse and your children. Coverage certificates and other information are posted on our website at benefitscc.org/lifeinsurance.

BASIC LIFE AND AD&D COVERAGE

The City provides every full-time employee with a basic life and accidental death and dismemberment (AD&D) benefit of one times their annual salary up to \$100,000 at no cost to them.

SUPPLEMENTAL LIFE COVERAGE

You also have the opportunity to purchase supplemental life insurance for yourself. Coverage is your annual salary, rounded to the next thousand, not exceeding \$100,000. Coverage and rates are recomputed at every salary change.

Please note:

- You must be enrolled in supplemental life to enroll in optional life and dependent life. Dependent coverage may not exceed employee coverage.
- If you are a current employee enrolling in new coverage or increasing existing coverage, you will need to complete an Evidence of Insurability (EOI) questionnaire. Coverage is based upon underwriter approval, and will not be effective until approval is received.
- New employees may elect coverage without EOI.

OPTIONAL LIFE COVERAGE

You also have the opportunity to purchase optional life insurance for yourself. This life insurance coverage ranges from a minimum of \$25,000 to a maximum of \$300,000, increasing in increments of \$25,000. Rates are determined annually and are based on age. Reduced coverage is applied for active employees over the age of 65.

Please note:

- You must be enrolled in optional life to enroll in dependent life.
- If you are a current employee enrolling in new coverage or increasing existing coverage, you will need to complete an EOI questionnaire. Coverage is based upon underwriter approval, and will not be effective until approval is received.
- New employees may elect coverage without EOI.

DEPENDENT LIFE COVERAGE

You also have the opportunity to purchase dependent life insurance for your spouse and your children:

- Dependent life for a **spouse** may be purchased at either the \$25,000 or \$50,000 level. Rates are determined annually and are based upon the employee's age.
- Dependent life for **children** up to age 26 may be purchased at the \$5,000 or \$10,000 level.

Please note:

- Dependent coverage may not exceed 100 percent of optional life coverage.
- A member may not be insured as both a member and a dependent.
- A child may not be insured by more than one member.
- If you are a current employee enrolling in new coverage or increasing existing coverage for yourself or your spouse, you will need to complete an EOI questionnaire. Coverage is based upon underwriter approval, and will not be effective until approval is received.
- Life insurance claims for dependents will require a death certificate along with verification of the relationship.

Flexible Spending Accounts (FSA)

Optum

Flexible spending accounts (FSAs) allow you to pay for eligible dependent care expenses on a pre-tax basis, meaning your FSA contributions are deducted from your pay before your federal and Social Security taxes are calculated. The result is that your taxable income is reduced and you get to keep a greater portion of your paycheck.

You must enroll in an FSA each year to participate, even if you were enrolled the prior year.

Dependent Care FSA	
Eligible Expenses	Qualified dependent care, such as child care, preschool, before- or after-school programs, summer day camp or care for an elderly parent
Maximum Annual Contribution*	\$5,000 (or \$2,500 if married and filing separately)

*Minimum election for the FSA is \$260 annually.

For a complete list of dependent care expenses, visit <https://www.irs.gov/pub/irs-pdf/p503.pdf>.

Please note:

- **If you are enrolled in the CDHP Public Safety and own an HSA, you cannot participate in a health care FSA.**
- As an employee, you are eligible to participate in a dependent care FSA even if you do not enroll in the City's medical insurance plans.
- Money can only be used to pay for qualified expenses incurred during the plan year (October 1, 2021, through September 30, 2022).
- The IRS requires that any unused funds in your FSA at the end of the plan year be forfeited, so be sure to carefully estimate your needs. You can always check your balance online at www.optumbank.com.

457 Deferred Compensation Plan

MissionSquare

The City offers a voluntary 457 deferred compensation plan that can provide additional savings for retirement.

- With the traditional 457 option, funds are deducted pre-tax and interest accumulates tax deferred. Withdrawals are subject to income tax.
- With the Roth 457 option, funds are contributed after tax and interest accumulates tax free. The advantage to the Roth option is that all withdrawals made after age 59 ½ are not subject to income tax.
- With both the 457 Plan and Roth options, your contributions will be invested in the funds that you select and the value of your account will fluctuate based on fund performance.

You may set up, stop or make changes to your contribution amount at any time, not only during Open Enrollment. You can make withdrawals from your account when you leave employment, as well as during employment, subject to the City's rules and IRS rules. Loan options may also be available.

For more information, log on to www.icmarc.org or contact your Employee Benefits team at (361) 826-3300 (option 2) or EmployeeBenefits@ccctexas.com.
