Getting Started

ELIGIBILITY

Full-time employees in a regularly budgeted position routinely assigned to work 40 hours per week, excluding temporary employees, are eligible for benefits. Eligible dependents include your spouse/common-law spouse and dependent children up to age 26, including biological children, stepchildren, adopted children or foster children. Please note that a child may not be insured in medical, dental or vision coverage by more than one member.

IMPORTANT INFORMATION

- Our plan year is October 1 through September 30.
- Benefits are effective on your date of hire. You will be automatically enrolled in basic life coverage, long-term disability plan 1 and the Texas Municipal Retirement System. To add benefits for yourself or your dependents, complete the enrollment form within 30 days of your date of hire.
- Elections you make when first becoming eligible or during Open Enrollment will remain in effect until our next Open Enrollment period. In addition, if you decline coverage for yourself and/or your dependent(s) when first becoming eligible, you must wait until the next Open Enrollment period to enroll. However, if you experience a qualifying life event (see below) during the year, you may make changes to your elections at that time by completing a benefits change form.

QUALIFYING LIFE EVENTS

If you experience a qualifying life event during the year, you may make changes to your elections within 30 days of the event by submitting a completed enrollment change form to **employeebenefits@cctexas.com**. Qualifying life events may include the birth or adoption of a child, marriage, divorce, death of a dependent or a change in your or your spouse’s work status that affects your benefits or a dependent’s loss of eligibility.

It is your responsibility to make changes to your benefit elections by contacting the Benefits Office at Human Resources at (361) 826-3300 (option 2) within 30 days of the event. If you fail to do so, you will not be able to enroll or make changes until the next Open Enrollment period. Health

Tobacco Surcharge

The health and well-being of our employees is one of our top priorities. Starting this Open Enrollment, we want to provide employees an extra incentive for making the healthy choice to not use tobacco and nicotine products.

All civilian employees and/or spouses enrolled in any General City health plan who use tobacco will be subject to a surcharge on health insurance premiums of \$20 per pay period, per tobacco user. You and/or your spouse will be considered a tobacco user if you have used any of the following within the last three months:

- Any tobacco product, including cigarettes, cigars, chewing tobacco, snuff or pipe tobacco
- Any unregulated nicotine device, such as e-cigarettes or vaporizers, used four or more times per week

Failure to truthfully disclose your tobacco use status is a violation of the City's Tobacco Use Surcharge Policy, and disciplinary action could be taken.

To avoid the surcharge, tobacco users have the alternative to complete a Blue Cross Blue Shield tobacco cessation program at no additional cost or a tobacco cessation program supervised by a doctor at their own expense. The surcharge will be removed if proof of program completion is submitted to **Wellness@ccctexas.com**. Tobacco cessation programs will only apply to the plan year in which it was completed.

Why Wait? Get Started Today

The **Blue Cross Blue Shield Tobacco Cessation Program** gives you the knowledge, tools and motivation you need to quit. You'll create a personalized quit plan, while getting the support you need to kick the habit your way.

Choose between two methods of learning:

- **Coaching via phone or secured messaging:** Unlimited access to a coach throughout a program year. Coaches are available Monday through Friday, between 7 a.m. and 10 p.m. and Saturday between 9 a.m. and 4 p.m. CT.
- **Digital Self-management Program:** Weekly lessons in an online course that guide you through the process of quitting tobacco permanently.

Texas Municipal Retirement System

TMRS

TMRS is a required retirement plan for all full-time employees. The following is a high-level overview of the plan:

- TMRS contributions are seven percent of your pay.
- The city will match your contributions two-to-one during retirement.
- With TMRS retirement options, you are guaranteed a retirement check for the rest of your life.
- No income taxes are withheld until you retire or separate from the City and request a refund.
- You are vested after five years, which means you may leave your deposits with TMRS to continue to earn interest until you are ready to retire, even if you leave the City. You are eligible to retire if you have five years of service and are age 60 or over. However, if you have 20 years of service, you are eligible to retire at any age.

You can track your TMRS balance, view or change beneficiaries, update your address or phone number and more at tmrs.com.

457 Deferred Compensation Plan

MissionSquare

The City offers a 457 deferred compensation plan that can provide additional savings for retirement.

- With the 457 plan, funds are deducted pre-tax and interest accumulates tax deferred. Withdrawals are subject to income tax. You can also select a post-tax contribution option for the 457 plan.
- With the Roth IRA option, funds are contributed after tax and interest accumulates tax free. The advantage to the Roth option is that all withdrawals made after age 59 ½ are not subject to income tax.
- With both the 457 Plan and Roth options, your contributions will be invested in the funds that you select and the value of your account will fluctuate based on fund performance.

You may set up, stop or make changes to your contribution amount at any time, not only during Open Enrollment. You can make withdrawals from your account when you leave employment, as well as during employment, subject to the City's rules and IRS rules. Loan options may also be available.

For more information, log on to missionsq.org or contact your Employee Benefits team at (361) 826-3300 (option 2) or EmployeeBenefits@cctexas.com.

Flexible Spending Accounts (FSA)

Optum

Flexible spending accounts (FSAs) allow you to pay for eligible health and/or dependent care expenses on a pre-tax basis, meaning your FSA contributions are deducted from your pay before your federal and Social Security taxes are calculated. The result is that your taxable income is reduced and you get to keep a greater portion of your paycheck. You have the option of participating in a health care FSA or a dependent care FSA. **You must enroll in an FSA each year to participate, even if you were enrolled the prior year.**

Health Care FSA

Eligible Expenses	Qualified medical, dental and vision expenses not covered by insurance, including deductibles, copays and coinsurance
Maximum Annual Contribution*	\$3,200

Dependent Care FSA

Eligible Expenses	Qualified dependent care, such as childcare, preschool, before- or after-school programs, summer day camp or care for an elderly parent
Maximum Annual Contribution*	\$5,000 (or \$2,500 if married and filing separately)

*Minimum election for either FSA is \$260 annually.

For a complete list of qualified health care expenses, visit irs.gov/pub/irs-pdf/p502.pdf. For a complete list of dependent care expenses, visit irs.gov/pub/irs-pdf/p503.pdf.

Please note:

- **You cannot enroll in the FSA if you are enrolled in the health savings account (HSA).**
- As an employee, you are eligible to participate in an FSA even if you do not enroll in the City's medical insurance plans.
- Money can only be used to pay for qualified expenses incurred during the plan year (October 1, 2024, through September 30, 2025).
- The IRS requires that any unused funds in your FSA at the end of the plan year be forfeited, so be sure to carefully estimate your needs. You can always check your balance online at optumbank.com.

Health Savings Account (HSA)

Optum Bank

The Citicare CDHP offers comprehensive health care coverage at a lower premium and higher deductible than traditional health care plans. The plan also features a health savings account (HSA) that enables you to pay for current, qualified health care expenses and save for future expenses on a tax-free basis*. You have the opportunity to set aside funds in your HSA before taxes through convenient payroll deductions (see “How Your HSA Is Funded”).

HOW THE CDHP WORKS

The CDHP, along with your HSA, puts health care spending in your hands. With lower premiums to pay for coverage, you choose how to spend your health care dollars. You can either pay for eligible services by using funds in your HSA, or you can pay for them out of your own pocket. You can only use HSA funds as they are deposited in your account. You can always reimburse yourself later once you have accumulated funds in your account. You cannot fund both an HSA and a health care FSA in the same year.

HOW YOUR HSA IS FUNDED

Your Contributions

There are two ways to contribute money to your HSA:

- **Pre-tax contributions** through payroll deductions
- **After-tax cash contributions** that are deductible when you file your taxes

City Contributions

The City will contribute, per fiscal year, \$1,300 for individual coverage or \$2,600 for individuals with dependent(s). New hires will receive \$50 or \$100 per pay period for the remaining pay periods in the fiscal year. **Note:** Even if you choose not to contribute to your HSA, you must fill out the application in order to receive the City's contribution.

Total Annual Contribution Limit

It is important to note that your contributions, combined with the City's contributions, may not exceed the IRS annual maximum of \$4,150 for individual coverage and \$8,300 for family coverage this fiscal year. Individuals 55 and older may make additional “catch-up” contributions up to \$1,000 each year.

IRS INFORMATION

Participation in an HSA carries with it the IRS requirement to include a completed Form 8889 with your annual tax return. More information is available at irs.gov/forms-pubs/about-form-8889. If you participate in an HSA, you cannot participate in a flexible spending account (FSA).

Advantages of an HSA

Triple-Tax Advantage

- You contribute pre-tax funds through payroll deductions, meaning the money comes out of your paycheck before federal income tax is calculated. This, in turn, reduces the amount of taxable income, so less tax is withheld from your paycheck.
- Funds grow tax free, and unused funds carry over year to year.
- You can withdraw funds tax free to pay for qualified health care expenses now and in the future—even in retirement.

Control

You own and control the money in your HSA. You decide how or if you want to spend it. You can use it to pay for doctor's visits, prescriptions, braces, glasses—even laser vision correction surgery.

Investment Opportunities

Once you reach and maintain a minimum balance, you can make investments to help your money grow tax free.

Savings Potential

There is no “use it or lose it” rule. Your account grows over time as you continue to carry over unused dollars from year to year.

Portability

Your HSA is yours for life. The money is yours to spend or save, regardless of whether you change health plans,* retire or separate from the City.

*Per IRS rules, you must be enrolled in a qualified high-deductible health plan to contribute to an HSA. Contributions may be made only for eligible individuals. If you are covered under a PPO plan, Medicare, Tricare or any non-high-deductible health plan, or if you can be claimed as a dependent on anyone's tax return, you are ineligible for an HSA. Per IRS rules, you must notify the City within 30 days of becoming ineligible.

Examples of Eligible vs. Ineligible Expenses

It's important to use your HSA or FSA card for eligible expenses only. If you use HSA or FSA funds for an ineligible expense, the IRS may assess a 20% penalty. For a complete list of qualified expenses, refer to IRS Publication 502, available online at irs.gov/pub/irs-pdf/p502.pdf. Optum Bank provides an easy-to-use Qualified Medical Expense tool at optumbank.com/resources/medical-expenses.html.

Eligible Expenses

- Deductibles
- Copays
- Coinsurance
- Prescription medications
- Dental and vision care
- Medical supplies

Ineligible Expenses

- Health club dues
- Premiums
- Teeth whitening
- Dental veneers
- Cosmetic prescriptions
- Surgery for purely cosmetic reasons

- A member may not be insured as both a member and a dependent.
- A child may not be insured by more than one member.

- Life insurance claims for dependents will require a death certificate along with verification of the relationship.

Long-Term Disability Coverage

Dearborn

When a covered disability keeps you out of work, long-term disability (LTD) insurance helps keep your finances protected. The plan pays a portion of your income while you recover. Your benefits continue for the policy's benefit period or until you are no longer disabled, whichever comes first, helping provide you and your loved ones security when you need it most.

The City provides every full-time employee with a long-term disability benefit of 50% of your salary up to \$3,000 per month at no cost to you. For a small additional cost, you can purchase coverage that has a \$5,000 maximum benefit and a shorter waiting period before disability payments begin. Coverage certificates are posted on our website at benefitscc.org/disability.

LTD Coverage Options			
	City Pays	Benefit	Elimination Period
Plan 1	100%	50% to \$3,000 per month	180 days (6 months)
Plan 2 (Buy Up)	40%	66 ^{2/3} % up to \$5,000 per month	90 days
Plan 3 (Buy Up)	30%	66 ^{2/3} % up to \$5,000 per month	60 days

EOI is not required as a new hire, but it is required at annual enrollment or with a qualifying life event when you upgrade to a higher plan.
