Eligible dependents include your spouse/common-law spouse and dependent children up to age 26, including biological children, stepchildren, adopted children or foster children. Please note that a child may not be insured in medical, dental or vision coverage by more than one member.

WEALTH

Life Insurance

Dearborn

Life insurance offers peace of mind when it comes to making sure your loved ones are financially secure for the future. The City provides every full-time employee with basic life insurance at no cost to you. You also have the option of purchasing additional life insurance for yourself, your spouse and your children. BASIC LIFE AND AD&D COVERAGE

SUPPLEMENTAL LIFE COVERAGE

You also have the opportunity to purchase supplemental life insurance for yourself. Coverage is your annual salary, rounded to the next thousand, not exceeding \$100,000. Coverage and rates are recomputed at every salary change. **Note:** You must be enrolled in supplemental life coverage to enroll in optional life and dependent life coverage.

OPTIONAL LIFE COVERAGE

You also have the opportunity to purchase optional life insurance for yourself. This life insurance coverage ranges from a minimum of \$25,000 to a maximum of \$300,000, increasing in increments of \$25,000. Rates are determined annually and are based on age. Reduced coverage is applied for active employees over the age of 65. **Note:** You must be enrolled in optional life coverage to enroll in dependent life coverage.

DEPENDENT LIFE COVERAGE

You also have the opportunity to purchase dependent life insurance for your spouse and your children:

- Dependent life for a **spouse** may be purchased at either the \$25,000 or \$50,000 level. Rates are determined annually and are based on the employee's age.

- A child may not be insured by more than one member.
- If you are a current employee enrolling in new coverage or increasing existing coverage for yourself or your spouse, you will need to complete an Evidence of Insurability (EOI) questionnaire. Coverage is based on underwriter approval and will not be effective until approval is received.
- Life insurance claims for dependents will require a death certificate along with verification of the relationship.

Wealth

457 Deferred Compensation Plan

MissionSquare

The City offers a 457 deferred compensation plan that can provide additional savings for retirement.

- With the 457 plan, funds are deducted pre-tax and interest accumulates tax deferred. Withdrawals are subject to income tax. You can also select a post-tax contribution option for the 457 plan.
- With the Roth IRA option, funds are contributed after tax and interest accumulates tax free. The advantage to the Roth option is that all withdrawals made after age 59 ½ are not subject to income tax.
- With both the 457 Plan and Roth options, your contributions will be invested in the funds that you select and the value of your account will fluctuate based on fund performance.

You may set up, stop or make changes to your contribution amount at any time, not only during Open Enrollment. You can make withdrawals from your account when you leave employment, as well as during employment, subject to the City’s rules and IRS rules. Loan options may also be available.

For more information, log on to missionsq.org or contact your Employee Benefits team at (361) 826-3300 (option 2) or EmployeeBenefits@cctexas.com.

Flexible Spending Accounts (FSA)

Optum

Flexible spending accounts (FSAs) allow you to pay for eligible dependent care expenses on a pre-tax basis, meaning your FSA contributions are deducted from your pay before your federal and Social Security taxes are calculated. The result is that your taxable income is reduced and you get to keep a greater portion of your paycheck.

You must enroll in an FSA each year to participate, even if you were enrolled the prior year.

Dependent Care FSA

Eligible Expenses	Qualified dependent care, such as childcare, preschool, before- or after-school programs, summer day camp or care for an elderly parent
Maximum Annual Contribution*	\$5,000 (or \$2,500 if married and filing separately)

*Minimum election for the FSA is \$260 annually.

For a complete list of dependent care expenses, visit irs.gov/pub/irs-pdf/p503.pdf.

Please note:

- **If you are enrolled in the CDHP Public Safety and own an HSA, you cannot participate in a health care FSA.**
- As an employee, you are eligible to participate in a dependent care FSA even if you do not enroll in the City’s medical insurance plans.
- Money can only be used to pay for qualified expenses incurred during the plan year (October 1, 2025, through September 30, 2026).
- The IRS requires that any unused funds in your FSA at the end of the plan year be forfeited, so be sure to carefully estimate your needs. You can always check your balance online at optumbank.com.

Eligible vs. Ineligible Expenses

It's important to use your HSA or FSA card for eligible expenses only. If you use HSA or FSA funds for an ineligible expense, the IRS may assess a 20% penalty. For a complete list of qualified expenses, refer to IRS Publication 502, available online at irs.gov/pub/irs-pdf/p502.pdf. Optum Bank also provides an easy-to-use Qualified Medical Expense tool at optumbank.com/resources/medical-expenses.html

Eligible Expenses

- Deductibles
- Copays
- Coinsurance
- Prescription medications
- Dental and vision care
- Medical supplies

Ineligible Expenses

- Health club dues
- Premiums
- Teeth whitening
- Dental veneers
- Cosmetic prescriptions
- Surgery for cosmetic reasons

Wealth

Health Savings Account (HSA)

Optum Bank

The CDHP Public Safety Plan offers comprehensive health care coverage at a lower premium and higher deductible than traditional health care plans. The plan also features a health savings account (HSA) that enables you to pay for current, qualified health care expenses and save for future expenses on a tax-free basis.* You have the opportunity to set aside funds in your HSA before taxes through convenient payroll deductions (see "How Your HSA Is Funded").

HOW THE CDHP PUBLIC SAFETY PLAN WORKS

The CDHP Public Safety Plan, along with your HSA, puts health care spending in your hands. With lower premiums to pay for coverage, you choose how to spend your health care dollars. You can either pay for eligible services by using funds in your HSA, or you can pay for them out of your own pocket. Note: You can only use HSA funds as they are deposited in your account. You can always reimburse yourself later once you have accumulated funds in your account. You cannot fund both an HSA and a health care FSA in the same year.

HOW YOUR HSA IS FUNDED

Your Contributions

There are two ways to contribute money to your HSA:

- **Pre-tax contributions** through payroll deductions
- **After-tax cash contributions** that are deductible when you file your taxes

City Contributions

The City will contribute, per fiscal year, \$1,600 for employees enrolled in the Police CDHP plan. New hires will receive \$61.54 per pay period for the remaining pay periods in the fiscal year. Note: Even if you choose not to contribute to your HSA, you must submit the completed application in order to receive the City's contribution.

Total Annual Contribution Limit

It is important to note that your contributions, combined with the City's contributions, may not exceed the IRS annual maximum

of \$4,300 for individual coverage and \$8,550 for family coverage this fiscal year. Individuals 55 and older may make additional "catch-up" contributions up to \$1,000 each year.

IRS INFORMATION

Participation in an HSA carries with it the IRS requirement to include a completed Form 8889 with your annual tax return. More information is available at irs.gov/forms-pubs/about-form-8889. If you participate in an HSA, you cannot participate in a flexible spending account (FSA).

Advantages of an HSA

Triple-Tax Advantage

- You contribute pre-tax funds through payroll deductions, meaning the money comes out of your paycheck before federal income tax is calculated. This, in turn, reduces the amount of taxable income, so less tax is withheld from your paycheck.
- Funds grow tax free, and unused funds carry over year to year.
- You can withdraw funds tax free to pay for qualified health care expenses now and in the future—even in retirement.

Control

You own and control the money in your HSA. You decide how or if you want to spend it. You can use it to pay for doctor's visits, prescriptions, braces, glasses—even laser vision correction surgery.

Investment Opportunities

Once you reach and maintain a minimum balance, you can make investments to help your money grow tax free.

Savings Potential

There is no "use it or lose it" rule. Your account grows over time as you continue to carry over unused dollars from year to year.

Portability

Your HSA is yours for life. The money is yours to spend or save, regardless of whether you change health plans,* retire or separate from the City.

*Per IRS rules, you must be enrolled in a qualified high-deductible health plan to contribute to an HSA. Contributions may be made only for eligible individuals. If you are covered under a PPO plan, Medicare, Tricare or any non-high-deductible health plan, or if you can be claimed as a dependent on anyone's tax return, you are ineligible for an HSA. Per IRS rules, you must notify the City within 30 days of becoming ineligible.

WHERE TO GO FOR MEDICAL CARE

You have several options when it comes to getting medical assistance. Understanding the differences between them can help you find the right sort of care and save money and time.

24/7 NURSELINE

Call the nurseline 24/7 if you have medical questions or need advice. This service is confidential and available in English and Spanish.

VIRTUAL VISITS

Schedule an MDLIVE appointment to talk to a doctor virtually from the comfort of your home. This service is available 24/7 and wait times are usually short.

RETAIL HEALTH CLINIC

Many grocery stores and pharmacies have on-site clinics where you can get immunizations and non-emergency medical support. Some clinics may even be open on weekends, evenings and holidays.

PRIMARY CARE PHYSICIAN (PCP)

Visit your PCP when you have any non-emergency health concern, like a sore throat, allergies, high blood pressure, sleep disturbances and more. Your PCP can refer you to a specialist if needed.

URGENT CARE

Consider an urgent care center when you have a non-emergency medical situation during hours your doctor's office is closed. You'll generally wait less time than you would for the emergency room and save money.

HOSPITAL EMERGENCY ROOM (ER)

If you are experiencing a life-threatening health issue, like chest pain, bleeding or a broken bone, visit your nearest emergency room, open 24/7.

FREESTANDING EMERGENCY ROOM (ER)

These 24/7 facilities provide emergency care and are not affiliated with a hospital. Be aware that these are often out of your network, meaning you could end up paying a hefty bill (or multiple bills). These ERs don't provide trauma care, and you may be transferred to a hospital ER.

For contact information for the above services, see the Contacts page.
